**\* California Business & Professions Code:**

**Section 19049:** It shall be unlawful for any person to engage in a business regulated by this chapter unless, at the time of so doing, he or she holds a valid, unexpired license to engage in that business, in compliance with the provisions of this chapter.

**Section 19080:** A person shall not, at wholesale, retail, or otherwise, directly or indirectly, make, rebuild, repair, renovate, process, prepare, sell, offer for sale, display, or deliver any article of upholstered furniture or bedding, or any filling materials in prefabricated form or loose in bags or containers, unless the article or material is plainly and indelibly labeled. This does not include furniture used exclusively for the purpose of physical fitness and exercise.

**Section 19081:** The form and size of labels, the fabric of which they are made and the wording and statements thereon necessary to carry out the provisions of this chapter, shall be approved by the chief.

**Section 19088:** It is unlawful to use, in the description of filling material, or in the statement on any label, any misleading term or designation or any term or designation likely to mislead.

**Section 19161:** (a) All mattresses and mattress sets manufactured for sale in this state shall be fire retardant. "Fire retardant," as used in this section, means a product that meets the standards for resistance to open-flame test adopted by the United States Consumer Product Safety Commission and set forth in Section 1633 and following of Title 16 of the Code of Federal Regulations. The bureau may adopt regulations it deems necessary to implement those standards.

(b) All other bedding products that the bureau determines contribute to mattress bedding fires shall comply with regulations adopted by the bureau specifying that those products be resistant to open-flame ignition.

(c) All seating furniture sold or offered for sale by an importer, manufacturer, or wholesaler for use in this state, including any seating furniture sold to or offered for sale for use in a hotel, motel, or other place of public accommodation in this state, and reupholstered furniture to which filling materials are added, shall be fire retardant and shall be labeled in a manner specified by the bureau. This does not include furniture used exclusively for the purpose of physical fitness and exercise.

(d) Regulations adopted by the bureau for other bedding products shall not apply to any hotel, motel, bed and breakfast, inn, or similar transient lodging establishment that has an automatic fire extinguishing system that conforms to the specifications established in Section 904.1 of Title 24 of the California Code of Regulations.

(e) This section shall become operative on July 1, 2007.

**Section 19200:** The chief or any inspector shall have access to the premises, equipment, materials, partly finished and finished articles and records of any person subject to the provisions of this chapter.

#### **California Code of Regulations:**

**Section 1125:** The kinds, types and percentage of filling materials used in articles of upholstered furniture and bedding and in bulk form concealed or not concealed shall be stated on the law label. Percentages shall be computed on the basis of avoirdupois weight of the filling material present and shall be designated on the law label in order of predominance, the largest component first.

**Section 1126:** Please see <https://govt.westlaw.com/calregs>

**Section 1374 (Effective 01/01/2015):** (a) On and after January 1, 2015, all filling materials and cover fabrics contained in any article of upholstered furniture and added to reupholstered furniture shall meet the fire retardant requirements as set forth in the State of California, Bureau of Electronic and Appliance Repair, Home Furnishings and Thermal Insulation Technical Bulletin Number 117-2013, entitled "Requirements, Test Procedure and Apparatus for Testing the Smolder Resistance of Materials Used in Upholstered Furniture," dated June 2013 and be labeled in accordance with Section 1374.3. This section incorporates by reference Technical Bulletin 117-2013 and shall not apply to filling materials and cover fabric manufactured prior to January 1, 2015.

(b) In addition to the requirements of subsection (a) above, finished articles of upholstered furniture may also be tested in accordance with the State of California, Bureau of Electronic and Appliance Repair, Home Furnishings and Thermal Insulation Technical Bulletin Number 116 entitled "Test Procedures and Apparatus for Testing the Flame Retardance of Upholstered Furniture," dated January 1980.

(c) All upholstered seating furniture sold for use in public occupancies, as defined in subsection (d) below, shall meet the test requirements set forth in the State of California, Bureau of Electronic and Appliance Repair, Home Furnishings and Thermal Insulation Technical Bulletin Number 133, entitled "Flammability Test Procedure For Seating Furniture For Use in Public Occupancies," dated January 1991.

(d) For purposes of this section, the term "public occupancies" shall mean:

(1) Jails, prisons, and penal institutions, as defined in Chapter 3 of the California State Building Standards Code.

(2) Hospitals, mental health facilities, and similar health care facilities, as defined in Chapter 3 of the California State Building Standards Code.

(3) Nursing homes, board and care facilities, and convalescent homes, as defined in Chapter 3 of the California State Building Standards Code.

(4) Child day care centers, as defined in Chapter 3 of the California State Building Standards Code.

(5) Public auditoriums and stadiums, as defined in Chapter 3 of the California State Building Standards Code.

(6) Public assembly areas, as defined in Chapter 3 of the California State Building Standards Code, containing ten (10) or more articles of seating

(e) Public occupancies and public assembly areas, as defined in section 1374(d), which are fully sprinklered in accordance with either National Fire

(f) The flammability requirements contained in this section are considered to be flammability performance standards. Testing under these standards shall be at the discretion of the licensee; however, products and materials offered for sale in this state shall meet all applicable flammability requirements established in these regulations.
